

## 2015 Healthy Kids, Healthy Families® Programs

<b><u>Organization</u></b>	<b><u>Project Title</u></b>	<b><u>Program Summary</u></b>
A Safe Haven Foundation Chicago Chicago, IL <a href="http://www.asafehaven.org">http://www.asafehaven.org</a>	Home Visiting: Building Healthy Foundations	The Home Visiting: Building Healthy Foundations program addresses the root cause of homelessness with a goal to improve health outcomes for homeless children and their families. Home visitors and an on-site team of health professionals provide families with access to health and wellness resources such as developmental assessments; health care screenings; access to primary health care; behavioral health counseling; chronic disease management; and substance abuse treatment.
Albuquerque Health Care For The Homeless, Inc. Albuquerque, NM <a href="http://www.abqhch.org">http://www.abqhch.org</a>	Street and Site-based Outreach to Homeless & Out-of-Service Kids and Families	This grant will help the Albuquerque Health Care for The Homeless ensure that families, youth and children living without homes will receive necessary access to care in an integrated, collaborative and innovative outreach model that will find families where they are. Services will link out-of-service families to health care, housing, food, social supports and transportation.
All Faiths Receiving Home, Inc. Albuquerque, NM <a href="http://www.allfaiths.org">http://www.allfaiths.org</a>	Family Wellness Primary Prevention Project	The Family Wellness Primary Prevention provides free parenting education and group therapy to at risk, low income, first time and expecting mothers in Albuquerque's South Valley. This grant will provide three, 18-week parenting therapy groups for new and expectant mothers who have a history of trauma or meet one or more risk factors that make them more susceptible to crisis.
American Lung Association of the Upper Midwest Springfield, IL <a href="http://www.lungil.org">http://www.lungil.org</a>	Enhancing care for children with asthma in Illinois, Oklahoma, New Mexico and Texas.	The partnership has spanned three years and engaged 80 health centers that serve high-risk populations, with the goal of improving care to an estimated 480,000 children with asthma and their caregivers, community leaders and educators, resulting in improved long-term care outcomes.
Angelic Organics Learning Center, Inc. Caledonia, IL <a href="http://www.learnconnect.org">http://www.learnconnect.org</a>	2015 Roots & Wings Youth Leadership and Urban Agriculture Program	The Roots & Wings Youth Leadership and Urban Agriculture Program of Angelic Organics Learning Center will empower youths and adults in Rockford to live healthier lives. The program will engage over 200 youths and adults in experiential education programs that promote nutrition, active lifestyles, diet-related disease prevention and safe environments through urban farms and gardens.
Asian Health Coalition of Illinois Chicago, IL <a href="http://www.asianhealth.org">http://www.asianhealth.org</a>	Mending the Safety Net: A Community-Clinic Collaboration to Improve Access to Ambulatory Care for Underserved Asian Americans	Mending the Safety Net: A Community and Clinic Collaboration to Improve Access to Ambulatory Care is the first clinic-community collaboration in Chicago's Asian communities. Funding seeks to create sustainable and effective partnerships between community-based organizations and community health clinics to improve access to preventive and chronic ambulatory care services.
AVANCE, Inc. Las Cruces, NM <a href="http://www.avance.org">http://www.avance.org</a>	Nino Sanos-Futuros Brillantes (Healthy Children-Bright Futures)	AVANCE-NM targets hard-to-reach families who face multiple barriers to success that go beyond poverty and illiteracy -- particularly those living in the substandard conditions of the colonias. By providing parenting education and a strong support system, AVANCE aims to empower parents to provide the best possible home environment for their child, practice nurturing parenting styles and break free from poverty and isolation.
Boys And Girls Clubs Of Greater Houston, Inc. Houston, TX <a href="http://www.bgclubs-houston.org">http://www.bgclubs-houston.org</a>	Healthy Lifestyles Programs for Houston's Underserved Youth	This grant funds Healthy Lifestyles Programs that address the health, wellness and safety needs of Greater Houston's underserved youth. Funds support nutrition and health education, activities promoting physical fitness and prevention curricula that teaches youth to resist risky and even dangerous behaviors.

<p>Brazos Valley Food Bank Bryan, Texas <a href="http://www.bvfb.org">http://www.bvfb.org</a></p>	<p>BackPack Program</p>	<p>Brazos Valley Food Bank's BackPack Program strives to meet the needs of hungry children in the Brazos Valley by providing them with nutritious, easy to prepare food to take home on weekends and school vacations when other food resources are not directly available to them. BVFB's BackPack Program serves 35 schools and six summer sites.</p>
<p>Bridge Teen Center Nfp Orland Park, IL <a href="http://www.thebridgeteencenter.org">http://www.thebridgeteencenter.org</a></p>	<p>Healthy Living Programs for Teens</p>	<p>The Bridge Teen Center's Healthy Living Programs help teens develop and maintain healthy minds and bodies and to promote overall wellness. Healthy Living Programs are "beginner" programs designed specifically for teens to increase self-image, provide outlets for stress, and educate students about making better dietary choices.</p>
<p>Browning Public Schools - School Food Service Browning, MT <a href="http://www.bps.k12.mt.us/">http://www.bps.k12.mt.us/</a></p>	<p>Blackfeet Nourish Project</p>	<p>The Blackfeet Nourish project seeks to improve access to nutritious food and education for students and families in the Browning Public School District. This grant will fund two volunteers who will help implement alternative breakfast models in two schools and community and parent involvement in addition to education and generating community support for hunger and nutrition education programs.</p>
<p>BUILD, Inc. Chicago, IL <a href="http://www.buildchicago.org">http://www.buildchicago.org</a></p>	<p>BUILDing Healthy Futures</p>	<p>BUILDing Healthy Futures works to improve the mental and physical health of BUILD's youth and their families through increased access to health care and holistic services that include: health education, support groups, exercise, increased access to healthy foods and enrollment in affordable health care.</p>
<p>By The Hand Club For Kids Chicago, IL <a href="http://www.bythehand.org">http://www.bythehand.org</a></p>	<p>Health and Wellness Initiative</p>	<p>By The Hand combines a strong academic emphasis with a focus on meeting the needs of their mind, body and soul. Through the Health and Wellness Initiative, they seek to meet the "body" needs of each kid by ensuring they have a healthy and nutritious diet, have opportunities for exercise, have medical coverage and receive consistent eye and dental exams among other things.</p>
<p>Capital Area Food Bank of Texas Austin, TX <a href="http://www.austinfoodbank.org">http://www.austinfoodbank.org</a></p>	<p>Food Bank Operating Support</p>	<p>This grant will help provide food and operating support to Capital Area Food Bank of Texas. The Food Bank provides nourishment to 46,000 people in need each week through food pantries, shelters, soup kitchens and other human service agencies across Central Texas.</p>
<p>Caring for Children Foundation of Texas, Inc. Dallas, TX <a href="http://www.carevan.org">http://www.carevan.org</a></p>	<p>2015 School-Based Influenza Initiative</p>	<p>This initiative will provide immunizations and preventative care services to uninsured or medically underserved children. Funding will be used to reach more than 20,000 children in El Paso, greater Houston, rural Texas and the Dallas/Fort Worth Area.</p>
<p>Caring for Children Foundation of Texas, Inc. Dallas, TX <a href="http://www.carevan.org">http://www.carevan.org</a></p>	<p>School-Based Health &amp; Wellness Education Initiative</p>	<p>This initiative seeks to improve the health and wellness of children living in El Paso County through school-based education to include nutrition education, tobacco awareness and prevention, disease prevention, and personal hygiene.</p>
<p>Caring for Children Foundation of Texas, Inc. Dallas, TX <a href="http://www.carevan.org">http://www.carevan.org</a></p>	<p>Dental Outreach Van</p>	<p>This grant will help improve dental health among elementary-age children, helping to build a foundation for lifetime wellness. A new Dental Outreach Van for the Southeast region of Texas will be used to transport equipment to pre-schools and elementary schools to provide free onsite services to children.</p>

Carrie Tingley Hospital Foundation Albuquerque, NM <a href="http://www.carrietingleyhospitalfoundation.org">www.carrietingleyhospitalfoundation.org</a>	Zia Freewheelers Adaptive Cycling	The Zia Freewheelers Adaptive Cycling team promotes quality of life and increases self-esteem, confidence and sense of belonging for children with special needs by encouraging friendships and teamwork through shared experiences. The team promotes healthy activities for the riders and their families through exercise and family involvement.
Casa De Peregrinos, Inc. Las Cruces, NM <a href="http://www.casadeperegrinos.org">http://www.casadeperegrinos.org</a>	Casa De Peregrinos Rural Food Initiative	The Dona Ana County Rural Food Initiative provides monthly distributions of 50 pounds of nutritious food to approximately 1,000 very low-income, largely Hispanic rural colonias families of southern Dona Ana County, New Mexico.
CATCH Global Foundation Austin, TX <a href="http://www.catchinfo.org">http://www.catchinfo.org</a>	Western Oklahoma CATCH Coordinated School Health Initiative	The CATCH Coordinated School Health grant will provide physical activity and nutrition education and build capacity for creating and sustaining a healthy school environment for 2,350 predominantly minority and economically disadvantaged K-8 students in Carnegie and Guymon Public School Districts.
CATCH Global Foundation Austin, TX <a href="http://www.catchinfo.org">http://www.catchinfo.org</a>	Ysleta ISD CATCH Coordinated School Health Initiative	The Ysleta ISD CATCH grant will provide physical activity and nutrition education and build community capacity for creating and sustaining healthy environments for 29,000 predominantly Hispanic and economically disadvantaged elementary and middle school students in Ysleta ISD.
Chapin Hall Center For Children Chicago, IL <a href="http://www.chapinhall.org">http://www.chapinhall.org</a>	Chicago Behavioral Health Capacity Planning for Children and Youth	This grant will support a pilot program to help Chicago Public Schools develop greater capacity to provide mental health and social-emotional learning related services to children, youth, and families in Chicago by enabling more community based organizations to provide such services in school settings.
Chicago Commons Chicago, IL <a href="http://www.chicagocommons.org">http://www.chicagocommons.org</a>	Early Childhood Education Program	Chicago Common's Early Childhood Education program will support health and wellness programming in four centers located in underserved neighborhoods. The program helps parents access primary and dental care, encourages healthy behaviors for the family, and promotes health through daily activities and nutritious meals.
Children's Grief Center of New Mexico, Inc. Albuquerque, NM <a href="http://www.childrengrief.org">www.childrengrief.org</a>	Grief Support Groups	Children's Grief Center of New Mexico will implement central New Mexico's only grief support program for bereaved youths with a goal to serve 550 grieving individuals this school year.
Childrens Advocacy Centers Of Texas, Inc. Austin, TX <a href="http://www.cactx.org">http://www.cactx.org</a>	Mental Health Programs	Through this grant, Childrens Advocacy Centers (CAC) of Texas will ensure that the 68 CACs in Texas who serve approximately 40,000 children annually, will have access to trauma-focused, evidence-based mental health training and program support and assistance in order to serve children who have been abused and their non-offending caretakers.
Community Food Bank of Eastern Oklahoma, Inc. Tulsa, OK <a href="http://www.okfoodbank.org">http://www.okfoodbank.org</a>	School Pantry System and Clinic Based Food Pantry System Pilot	Through this grant, Community Food Bank of Eastern Oklahoma will improve the health of low-income children and their families who are at risk of hunger by expanding school pantries in area high schools. This grant will also improve the health of low-income individuals and their families who are suffering from chronic health problems by providing fresh and healthy foods at their monthly doctor visits.

Community Health Centers, Inc. Oklahoma City, OK <a href="http://www.chciokc.org">http://www.chciokc.org</a>	Diabetes Action Program	Community Health Centers' Diabetes Action Program seeks to implement a rural-focused health outreach program for low-income patients with uncontrolled chronic type 2 diabetes. Patients learn how to take responsibility for managing their disease through a interdisciplinary intervention health team approach that encourages regular check-ups and has no out-of-pocket costs .
Concho Valley Regional Food Bank Of Texas, Inc. San Angelo, TX <a href="http://www.conchovalleyfoodbank.org">http://www.conchovalleyfoodbank.org</a>	Food 2 Kids Program	The Food 2 Kids program ensures that children do not go hungry on the weekend. The Concho Valley Regional Food Bank of Texas, Inc. serves approximately 1,100 children through this program. The simple objectives are to provide the identified children with a take home sack of food on Friday of each week for 35 weeks of the school year.
Cuidando Los Ninos, Inc. Albuquerque, NM <a href="http://www.clnkids.org">http://www.clnkids.org</a>	Sustaining Healthier CLNkids Families and Kids	Through the this grant, Cuidando Los Ninos will provide instructional materials, assessment tools and equipment to be used in physical fitness for infants, toddlers and preschoolers and similar tools and resources for use by case managers in parent education.
Cyberways And Waterways Austin, TX <a href="http://www.greenribbonschools.org">http://www.greenribbonschools.org</a>	Million Mile Month	This grant supports the Million Mile Month, which challenges Texans to accomplish one million miles of physical activity together as one large community in the month of April. Million Mile Month will disrupt our passive lifestyles and get us up off the couch by providing the tools, incentives and support that people need to change the "sit habit" so that we will move for a lifetime.
Dallas Black Dance Theatre Dallas, TX <a href="http://www.dbdt.com">http://www.dbdt.com</a>	2015-2016 "Dance-Let's Move" After-School Dance Program	Dallas Black Dance Theatre will extend the healthy living/active lifestyle benefits promoted through the organization's "Dance-Let's Move" program to school students in an after-school setting. The program is targeted to youth and teens who are underserved and uses dance as an outlet for physical activity by emphasizing movement, nutrition and an active lifestyle.
Dallas Chinese Community Center Richardson, TX <a href="http://www.dallasccc.org">http://www.dallasccc.org</a>	Health and Wellness Outreach for Adults and Children	The Dallas Chinese Community Center (DCCC) will provide health-related seminars, screenings and kid-friendly activities targeting Asian American residing in Dallas County. In addition, the health-related topics will be developed and incorporated into the curriculum of the DCCC Chinese Summer Camps.
Dallas Concilio Dallas, TX <a href="http://www.theconcilio.org">http://www.theconcilio.org</a>	Healthy Kids, Healthy Families	The Dallas Concilio's Healthy Kids, Healthy Families program is a community-based intervention aimed at reducing the risk of obesity, primarily in Hispanic communities in Dallas County. Through this program, 725 parents and children will learn the importance of increased physical activity, improved nutrition and modeling positive health behaviors.
El Buen Samaritano Episcopal Mission Austin, TX <a href="http://www.elbuen.org">http://www.elbuen.org</a>	Wallace Mallory Clinic	El Buen Samaritano Episcopal Mission's community-based Wallace Mallory Clinic provides integrated primary care and behavioral health services to Austin's Latino immigrant population in a bilingual and culturally competent setting. They provide access to preventive care and disease management to a vulnerable population of uninsured adults and children.
El Centro de Corazon Houston, TX <a href="http://www.elcentrodecorazon.org">http://www.elcentrodecorazon.org</a>	Pediatric Diabetes Self-Management Program	El Centro de Corazon provides counseling on nutrition and physical activity for children to combat childhood obesity and diabetes, while also developing a pediatric component to their Diabetes Self-Management Program.

El Pasoans Fighting Hunger El Paso, TX <a href="http://www.elpasoansfightinghunger.org">http://www.elpasoansfightinghunger.org</a>	"Mobile Pantries for El Paso, Culberson, and Hudspeth Counties"	El Pasoans Fighting Hunger's (EPFH) mobile pantries targets geographical areas in El Paso County that are unserved or underserved by community food pantries and other meal service programs. EPFH will distribute to food pantries, schools, shelters, senior and community centers and churches in addition to a model school pantry program designed to address weekend hunger among El Paso school children.
Emergency Infant Services Tulsa, OK <a href="http://www.eistulsa.org">http://www.eistulsa.org</a>	Food and Formula Project	This grant will fund Emergency Infant Services's Food and Formula programs and will serve 2,858 children with food for 2 weeks and 1,266 infants with formula for 1.5 weeks. Food will be provided to infants and children during a critical time of development in their lives.
ESCAPE Family Resource Center of The Exchange Clubs of Houston Houston, TX <a href="http://www.LearnToParent.org">http://www.LearnToParent.org</a>	"Building Confident Families"	Through this grant, ESCAPE Family Resource Center will provide three deliveries of "Building Confident Families," a child abuse and neglect prevention program. This grant will support safer environments for children by teaching a projected 75 individuals (30 parents and 45 children) sustainable skills to interact peaceably with one another in their homes.
Family Place Inc. Dallas, TX <a href="http://www.familyplace.org">http://www.familyplace.org</a>	Family Place Safe Campus Clinic/UT Southwestern Medical School Project	Funding will support a collaboration between The Family Place and UT Southwestern Medical School to achieve our primary objectives of saving lives, keeping women and children safe, enhancing healthcare service for homeless women and children victims of family violence living at The Family Place Safe Campus and alleviating the healthcare and productivity loss burden of family violence on the community.
First Choice Community Healthcare, Inc. Albuquerque, NM <a href="http://www.fcch.com/">http://www.fcch.com/</a>	South Valley Commons Wellness Diabetes Initiatives	First Choice Community Healthcare will provide a subsidized Community-Supported Agriculture program and monthly healthy cooking classes to patients. The goal is to provide affordable access to fresh fruit and vegetables, and interactive cooking classes to equip families with the information they need to make healthier choices.
Food Bank of Abilene, Inc. Abilene, TX <a href="http://www.fbwct.org">http://www.fbwct.org</a>	BackPacks for Kids Childhood Hunger Program	BackPacks for Kids Childhood Hunger Program provides weekly backpacks of healthy, nutritious, child-friendly foods to 1,200 chronically hungry children who return home on weekends to bare cupboards. Children receive 7-pound bags of food (about 15-16 items) every Friday and before school holidays throughout the typical 36-week school year.
Food Bank of Eastern New Mexico, Inc. Clovis, NM <a href="http://www.foodbankenm.org">http://www.foodbankenm.org</a>	Food Bank of Eastern New Mexico Organization Support	This grant will help support the Food Bank of Eastern New Mexico in its mission to meet emergency food needs for individuals, families and students living in Curry, Roosevelt, De Baca, Quay, Guadalupe and Torrance Counties. Funds will be used to help support many of the Food Bank's various programs.
Food Bank Of The Rio Grande Valley, Inc. Pharr, TX <a href="http://www.foodbankrgv.com">http://www.foodbankrgv.com</a>	Food Bank of the Rio Grande Valley: Moving Our Mission Forward	This grant will support general operations that will allow the Food Bank of the Rio Grande Valley to receive, store, inventory and distribute more than 30 million pounds of food on an annual basis. The food bank has challenged partner agencies to distribute 42 pounds of food per person on a monthly basis this year to meet meet the recommendations set forth by Feeding America.

Food Depot Santa Fe, NM <a href="http://www.thefooddepot.org">www.thefooddepot.org</a>	Mobile Food Pantry	The Food Depot's mobile food pantry program provides nutritious food to rural, isolated communities where there are high rates of hunger and poverty. The program engages the community by requiring community volunteers to organize and execute the food distribution. The program serves as an opportunity to develop partnerships with health care centers to provide health care screenings, immunizations and health information to underserved communities.
Galveston County Food Bank Texas City, TX <a href="http://www.galvestoncountyfoodbank.org">http://www.galvestoncountyfoodbank.org</a>	Healthy Food, Healthy Bodies, Healthy Communities Initiative	The Galveston County Food Bank will develop and implement a nutrition education program for both food donors and food bank recipients. The goal is to improve the nutritious quality of donated foods and the overall health and well being of Galveston County residents living in poverty.
Gary Comer Youth Center Chicago, IL <a href="http://www.gcyhome.org">http://www.gcyhome.org</a>	Gary Comer Youth Center Health and Wellness Project	The Gary Comer Youth Center's Health and Wellness Project provides a holistic set of health and wellness programming with the goal of increasing healthy eating, physical activity and health and nutrition literacy among its youth and teen members and adults in the greater Grand Crossing
Girls On The Run Of Southern Oklahoma, Inc. Ardmore, OK <a href="http://www.girlsontherunsouthernoklahoma.org">http://www.girlsontherunsouthernoklahoma.org</a>	Operational Support	Girls on the Run of Southern Oklahoma provides 3rd - 8th grade girls, in Carter and Love County, a twelve-week evidence-based after school program that teaches life skills through dynamic, conversation-based lessons and running games. This grant will help to incorporate the new Heart and Sole curriculum and reach more girls in the area.
Greater Chicago Food Depository Chicago, IL <a href="http://www.chicagosfoodbank.org">http://www.chicagosfoodbank.org</a>	Healthy Kids Markets	The Food Depository's Healthy Kids Markets is a school-based pantry providing fresh produce and shelf-stable food to families throughout Chicago. Healthy Kids Markets fosters a sense of community and provides an outlet for school outreach to parents not engaged in their children's education, contributing to the betterment of the family's physical and emotional health.
Harrison County Food Bank Marshall, TX <a href="http://NA">http://NA</a>	Healthy Kids, Healthy Families	The Harrison County Food Bank's Healthy Kids, Healthy Families program will help meet the needs of families and individuals in Harrison County who are food insecure and unable to consistently access adequate amounts of nutritious food for a healthy lifestyle.
Healthy Schools Campaign Chicago, IL <a href="http://www.healthyschoolscampaign.org">http://www.healthyschoolscampaign.org</a>	Chicago Partnership for Healthy Schools	The Healthy Schools Campaign's (HSC) Chicago Partnership for Healthy Schools is an effort to transform Chicago schools and classrooms into environments that support healthy meals, nutrition education, physical activity, access to school health services and safe play.
Houston Food Bank Houston, TX <a href="http://www.houstonfoodbank.org">http://www.houstonfoodbank.org</a>	Backpack Buddy Program	The Houston Food Bank's Backpack Buddy program provides child-friendly and nutritious food to children at-risk of hunger by discreetly distributing healthy food sacks on Friday's during the school year. This grant will help expand the program to serve more children at additional sites in Houston Food Bank's 18-county service area.
Illinois Public Health Institute Chicago, IL <a href="http://www.iphionline.org">http://www.iphionline.org</a> and <a href="http://www.preventobesityil.org">www.preventobesityil.org</a>	Healthy Eating and Active Living Initiative	The Illinois Public Health Institute's Healthy Eating and Active Living Initiative partners with state and local stakeholders to increase access to healthy foods and physical activity in the places people live, learn, work and play. Program initiatives focus on improving public and institutional policy, promoting and sharing evidence-based practices, and aligning strategies across Illinois.

<p>Institute for Latino Progress Chicago, IL <a href="http://idpl.org/">http://idpl.org/</a></p>	<p>Instituto Scholars Fund and Alta Cocina</p>	<p>Through this grant, Institute for Latino Progress seeks to create the Instituto Scholars Fund to support the common need among low-income students in higher education to fill the crucial gaps that exist between funding sources. In addition, this grant will also support Alta Cocina: A Spring Chefs Gala to benefit the Institute's programs and schools.</p>
<p>It's Time Texas Austin, TX <a href="http://www.activelifehq.org">http://www.activelifehq.org</a></p>	<p>IT'S TIME TEXAS: Making Healthy Easier for Texas Kids and Families</p>	<p>IT'S TIME TEXAS impacts the health of Texas children and families through evidence-based programs and resources. They achieve this by providing and/or connecting people to health-related education, increasing awareness of and access to healthy opportunities (physical activity, nutrition, and general health and wellness), and creating/providing resources for healthier, safer environments (home, school, work, and stores).</p>
<p>KaBOOM! Washington, DC <a href="http://www.kaboom.org">http://www.kaboom.org</a></p>	<p>2015 Playground Builds</p>	<p>KaBOOM! playgrounds help increase physical activity and spread the word about the importance of play. Through this grant, eight KaBOOM! playgrounds, five shade structures and four Imagination Playgrounds were built in 2015 serving 14,824 children annually.</p>
<p>Kay McKenna Youth Foundation Helena, MT <a href="http://kayskidsmt.org">http://kayskidsmt.org</a></p>	<p>Kay's Kids Summer Recreation Program</p>	<p>This grant will help enhance, expand and improve the Kay McKenna Youth Foundation's free Kay's Kids Summer Recreation Program, administered by the City of Helena Parks and Recreation Department.</p>
<p>Kids' Meals, Inc. Houston, TX <a href="http://www.kidsmealshouston.org">http://www.kidsmealshouston.org</a></p>	<p>Meals on Wheels Summer Feeding Program</p>	<p>Kids' Meals helps to alleviate the burden faced by families who have little means of obtaining meals for their young children on a regular basis due to issues with transportation, hardship and time. The Meals on Wheels program will provide 3,700 healthy lunches for impoverished preschool children and their siblings.</p>
<p>Korean American Community Services Chicago, IL <a href="http://www.kacschicago.org">http://www.kacschicago.org</a></p>	<p>Senior Services and Public Benefits</p>	<p>This grant will expand the service capacity of the Korean American Community Services' Public Benefits and Senior Services department in order to meet the needs of a rapidly growing Korean senior population. Through this proposal, KACS's looks to increase the access of Korean seniors to the available resources to meet their essential needs.</p>
<p>Latino Community Development Agency, Inc. Oklahoma City, OK <a href="http://www.lcdaok.org">http://www.lcdaok.org</a></p>	<p>Familias Saludables</p>	<p>Through this grant, Latino Community Development Agency's will develop and implement, Familias Saluables, a program designed to eliminate health disparity and improve overall health of Latino families at risk for hypertension, diabetes and obesity in the Oklahoma City metro area. The Familias Saludable program will incorporate the best practices and evidence-based curriculum of Comprando Rico y Sano into a family-oriented program.</p>
<p>Los Barrios Unidos Community Clinic, Inc. Dallas, TX <a href="http://www.losbarriosunidos.org">http://www.losbarriosunidos.org</a></p>	<p>Promotora de Salud Program</p>	<p>Los Barrios Unidos Community Clinic's Promotora de Salud will help improve patient engagement in primary care and improve health outcomes for low-income Latinos. In the first year of the program, the Promotora will focus on Obstetrics patients, which helps ensure that newborns and family members also have access to health care. Additionally, the Promotora will provide targeted health education and interventions for patients with a diagnosis of severe and persistent asthma.</p>

Marathon Kids, Inc. Austin, TX <a href="http://www.MarathonKids.org">http://www.MarathonKids.org</a>	Marathon Kids: Empowering Communities To Move	Marathon Kids goal is to increase 202,000 children's physical activity levels through school-based running clubs in five Texas communities; empower those communities to take control of their own health; and pilot the delivery of Marathon Families (a new home-based version of the 26.2 Mile Challenge, with active roles for every family member) through clinic and community partnerships as a proof-of-concept implementation.
Mental Health Association In Tulsa, Inc. Tulsa, OK <a href="http://www.mhaok.org">http://www.mhaok.org</a>	Building Oklahoma, Building Lives	The Mental Health Association In Tulsa works to eliminate and prevent homelessness of people with mental illnesses throughout Tulsa County. This grant will help support a new administrative home for the Association and raise operating support to initiate affordable housing for those impacted by homelessness and mental illness in Oklahoma City.
Metropolitan Family Services Chicago, IL <a href="http://www.metrofamily.org">http://www.metrofamily.org</a>	Operational Support	Metropolitan Family Services empowers clients to identify their problem issues, create a plan to achieve their desired goal, and use new skills to realize that goal and become self-sufficient. Metropolitan serves the lowest income and highest need populations in the city of Chicago, Calumet and DuPage county.
Montana Children's Trust Fund Helena, MT <a href="http://www.ChildrensTrust.mt.gov">http://www.ChildrensTrust.mt.gov</a>	Breakfast After the Bell	This grant would allow the Montana Children's Trust Fund to implement new breakfast programs or transitioning to breakfast models that increase participation (such as Breakfast in the Classroom or Grab n' Go). Funding will help schools pay for essential equipment and infrastructure such as grab-and-go kiosks or carts for delivering meals to classrooms.
North Texas Food Bank Dallas, TX <a href="http://www.ntfb.org/index.cfm">http://www.ntfb.org/index.cfm</a>	Kids Cafe Summer Breakfast Program	North Texas Food Bank will distribute healthy breakfast meals through their Kids Cafe summer feeding partners to low-income students in the greater Dallas area who are at-risk of food insecurity. Breakfast will be distributed because food insecure children are sick more often, more likely to be hospitalized and suffer growth and developmental impairments.
Northern Illinois Food Bank Geneva, IL <a href="http://www.solverhungertoday.org">http://www.solverhungertoday.org</a>	Nutrition Education Program	Northern Illinois Food Bank will expand their Nutrition Education Program's curriculum to include modules that provide hands-on experience in food preparation of four additional food groups (dairy, protein, fruit and grain). The Food Bank will support local partners as they implement the lessons with nutrition equipment kits and food gift cards.
Northwest Assistance Ministries Houston, TX <a href="http://www.namonline.org">http://www.namonline.org</a>	NAM Children's Clinic	Northwest Assistance Ministries (NAM) seeks to implement a comprehensive Healthy Living Program through the NAM Children's Clinic that will include education and intensive case management. The goal is to focus on education and overcoming barriers to help improve participants eating habits and increase their activity levels.
OASIS Albuquerque Albuquerque, NM <a href="http://www.oasisabq.org">http://www.oasisabq.org</a>	Fit and Free From Falls Program	OASIS Albuquerque will serve older adult families in the Albuquerque metro area by promoting and providing a comprehensive Fit and Free From Falls curriculum to include physical activity programs and the evidence-based Matter of Balance program.
Oklahoma Caring Foundation, Inc. Tulsa, OK <a href="http://www.oklahomacaringfoundation.org">http://www.oklahomacaringfoundation.org</a>	Rural Oral Health Initiative	This grant will help the Oklahoma Caring Foundation's Caring Van partners to either enhance or establish their rural oral health initiatives by providing them with the funds to purchase oral health supplies and/or educational materials.

Oklahoma State Department of Health Oklahoma City, OK <a href="http://www.ok.gov/health/Wellness/">http://www.ok.gov/health/Wellness/</a>	FITNESSGRAM for Oklahoma Public Schools	FITNESSGRAM is a comprehensive educational, reporting and promotional tool used to assess physical fitness and physical activity levels for children. FITNESSGRAM software also features data management and statistical reporting tools that support data-driven decision making.
P B & J Family Services, Inc. Albuquerque, NM <a href="http://www.pbjfamilyservices.org">http://www.pbjfamilyservices.org</a>	PB&J's Health, Wellness, and Safety Program	PB&J Family Services 's Health, Wellness and Safety program provides mental health case management for parents in need of assistance in accessing mental health services; safety education for families; hearing screening for infants and children; and safety education outreach to the community.
Parents Reaching Out To Help, Inc. Albuquerque, NM <a href="http://parentsreachingout.org">http://parentsreachingout.org</a>	Community Health and Wellness Fairs For Families	Parents Reaching Out to Help aims to educate and familiarize families in New Mexico on health, nutrition, disease prevention and the importance of a healthy lifestyle. This will be accomplished by developing and implementing two, one-day educational and interactive health fairs along with integrating this information into the statewide Family Leadership Conference.
Pediplace Lewisville, TX <a href="http://www.pediplace.org">http://www.pediplace.org</a>	Enhancing Access to Care through School Based Clinics	PediPlace's seeks to increase the percentage of children who can access timely sick and preventive care. Their goal is to ensure that uninsured children and those with Medicaid or CHIP benefits receive timely, accessible, and quality medical care needed to recover from illnesses and stay healthy with routine checkups and immunizations. This grant will help establish a part-time on-site school based PediPlace Pediatric Clinic in partnership with the Lewisville Independent School District.
Peterson Garden Project, Inc. Chicago, IL <a href="http://www.petersongarden.org">http://www.petersongarden.org</a>	SeniorSenior: a multi- generational hands-on nutrition education and food security program	Peterson Garden Project will implement Senior-Senior, a multi-generational, hands-on nutrition education, food security, and community building program involving high school seniors and older adults in Chicago. The project will take place in two Peterson Garden Project Pop Up Victory Gardens and the Fearless Food Kitchen -- a teaching kitchen in Chicago's Broadway Armory.
Phoenix Center & Camp Phoenix Marble Falls, TX <a href="http://www.phoenixcentertexas.org">http://www.phoenixcentertexas.org</a>	Holistic Community Mental Health Care	The Phoenix Center improves community health through preventative mental health care and healthy, supportive environments for children and families. All programs are designed by mental health professionals and registered yoga teachers to specifically meet the needs of children who have experienced trauma. In addition, intensive parenting interventions will be provided to improve the health of the whole family and future generations.
Playworks Education Energized Chicago, IL <a href="http://www.playworks.org/communities/illinois">http://www.playworks.org/communities/illinois</a>	Playworks in Illinois	This grant will help Playworks Education Energized programming to positively impact the lives of more than 21,500 students by engaging them in healthy, physical activity every school day.
REAL School Gardens Fort Worth, TX <a href="http://www.realschoolgardens.org">http://www.realschoolgardens.org</a>	Nutrition Education in the Outdoor Classroom	Through this grant, Real School Garden's seeks to establish five state-of-the-art learning gardens on high-poverty elementary school campuses; activate thousands of parents and community members to get involved in neighborhood schools; and provide hundreds of educators with high-quality training so that they can use learning gardens to boost children's learning and health.
Riverstone Health Foundation Billings, MT <a href="http://www.riverstonehealth.org">http://www.riverstonehealth.org</a>	Health Champions: Developing a Road Map and Conducting a Test Drive	This grant will help the Riverstone Health Foundation increase the health of residents in Yellowstone County. The goal is to increase lifestyle-based physical activity of children and families in the county, with a focus on middle school and high school age students, using a Health Champion model.

San Antonio Food Bank San Antonio, TX <a href="http://www.safoodbank.org">http://www.safoodbank.org</a>	Veg Out SA!	The San Antonio Food Bank's Veg Out SA! Campaign seeks to increase the community's daily consumption of fruit and vegetables and to educate the San Antonio population about the health benefits of adding more fruits and vegetables to their daily diets.
San Antonio Food Bank San Antonio, TX <a href="http://www.safoodbank.org">http://www.safoodbank.org</a>	Mobile Farmers' Market	The Food Bank's Mobile Farmers' Market will support the implementation of more than 13 distributions at a variety of partner agency sites. The distributions will include 133,000 pounds of nutrient dense and fresh food which will be provided to more than 2,668 families.
Sinai Health System Chicago, IL <a href="http://www.sinai.org">http://www.sinai.org</a>	Randomized Control Trial of Two Diabetes Interventions for Hyperglycemic Patients in a Highly Underserved Community	Through this grant, Sinai Health System seeks to reduce the burden of uncontrolled diabetes among people who live in the economically-disadvantaged areas surrounding Mount Sinai Hospital. They intend to test the efficacy of intervention delivery by CHWs or cell phone text messages to improve glycemic control and increase appropriate health care utilization among the participants. The goal is to determine the most cost-effective method of health education delivery that will produce maximum desirable outcomes.
Southeast Texas Food Bank Beaumont, TX <a href="http://www.setxfoodbank.org">http://www.setxfoodbank.org</a>	Diabetic Pantry Program	This grant will help fund the Southwest Texas Food Bank's Diabetic Pantry Program. This program seeks to empower food insecure diabetics to manage their health and lower their A1Cs through better nutrition and health education, and by directing clients to low-cost medical resources if they are not receiving regular medical care.
Southern New Mexico Diabetes Outreach Las Cruces, NM <a href="http://snmdo.org">snmdo.org</a>	Health Screenings, Prevention and Education	The Southern New Mexico Diabetes Outreach will continue to partner with the Blue Cross and Blue Shield of New Mexico Care Van to provide diabetes screeners, blood pressure checks, local health resource information and diabetes educational information.
Special Olympics New Mexico Albuquerque, NM <a href="http://www.sonm.org">http://www.sonm.org</a>	SONM Project UNIFY	This grant will support Special Olympics New Mexico's Project UNIFY Program, an innovative sports-play initiative that targets students with intellectual disabilities, pairing them with their non-disabled peers to participate in sports, foster youth leadership and create inclusive school environments.
St. Martin's Hospitality Center Albuquerque, NM <a href="http://www.smhc-nm.org">www.smhc-nm.org</a>	Project Blue Box	St. Martin's Hospitality Center seeks to reduce the food insecurity of 60 low-income or homeless children and their families through weekly deliveries of food boxes containing whole foods including fresh fruits and vegetables. Project Blue Box will thereby improve the health outcomes of the most vulnerable kids in the community while giving them the resources they need to improve their academic performance.
Tarrant Area Food Bank Fort Worth, TX <a href="http://www.tafb.org">http://www.tafb.org</a>	Food for Kids	Tarrant Area Food Bank's Food for Kids program is a targeted initiative to provide nutritious food and education through an integrated suite of programs, alleviating hunger and malnutrition while improving community health. The Food Bank will utilize partnerships with schools and other nonprofits to deliver food and education to underserved school children.
TASC, Inc. Chicago, IL <a href="http://tasc.org">http://tasc.org</a>	Strengthening TASC's Statewide Clinical Case Management	This grant will help TASC invest in its clinical case management work, which serves 27,000 justice-involved individuals annually throughout Illinois--assessing substance use and mental health disorders; offering enrollment in healthcare coverage; and ensuring access to health and services that promote long-term wellness.

<p>Texas CASA, Inc. Austin, TX <a href="http://www.texascasa.org">http://www.texascasa.org</a></p>	<p>Healthy Kids Healthy Tomorrows: CASA PMC Pilot Project</p>	<p>Texas CASA's three-year pilot project is intended to dramatically increase the number of CASA volunteers assigned to children who are in longer term foster care—those under the permanent managing conservatorship (PMC) of the State of Texas. This work will decrease the number of adverse childhood experiences of these children, resulting in a lifelong positive impact on their long-term health and well-being.</p>
<p>Texas Health Institute Austin, TX <a href="http://www.texashealthinstitute.org">http://www.texashealthinstitute.org</a></p>	<p>9th Annual Southern Obesity Summit</p>	<p>The Texas Health Institute's Southern Obesity Summit is a 16-state collective impact initiative and learning collaborative. It brings together a broad spectrum of organizations and individuals across the south. It allows them to network, learn about evidence-based practices and policies and share successes and challenges, so that they are better equipped to put effective programs and policies in place in their states.</p>
<p>Texas Medical Association Foundation Austin, TX <a href="http://www.tmaf.org">http://www.tmaf.org</a></p>	<p>TMA's Hard Hats for Little Heads</p>	<p>Texas Medical Association Foundations' Hard Hats for Little Heads provides a free, properly fitted helmet, plus educational materials on healthy activities and behaviors to children across Texas. Special attention will be given to identifying low-income families and children.</p>
<p>Texas Womens Empowerment Foundation Houston, TX <a href="http://www.TWEF.org">http://www.TWEF.org</a></p>	<p>"Eat What You Grow-Houston"</p>	<p>"Eat What You Grow-Houston" will create an urban community garden that provides access to fresh fruit and vegetables within a food desert; weekly physical activities; and community health prevention workshops. The program will promote positive behavioral changes that include better nutrition and increased exercise among families and help them prevent chronic diseases.</p>
<p>The Board Of Trustees Of The University Of Illinois Chicago, IL <a href="http://www.uicni.org">http://www.uicni.org</a></p>	<p>Davis Health and Wellness Center of Brighton Park</p>	<p>This grant will help the Davis Health and Wellness Center support Community Health Workers (CHW) who will facilitate network expansion of at least 5 schools to a school-based health center for comprehensive preventative and restorative health care services. The CHWs will assist families in accessing health and social services to prevent or manage acute or chronic illness and to increase awareness of personal actions to sustain a healthy lifestyle.</p>
<p>The Community Pantry Gallup, NM <a href="http://www.thecommunitypantry.org">http://www.thecommunitypantry.org</a></p>	<p>Feeding McKinley County</p>	<p>Through this grant, The Community Pantry will be able to purchase \$2,000 of food per month meeting the needs of the hungry within McKinley County, providing them with nutritional foods, ways to prepare the foods, recipes and other resources.</p>
<p>The Salvation Army Chicago, IL <a href="http://www.salarmychicago.org">http://www.salarmychicago.org</a></p>	<p>Late Nite Flight Basketball Program at the Kroc Center</p>	<p>The Salvation Army's Late Nite Flight Basketball at the Kroc Center seeks to prevent violence and increase wellness among 160 low-income, primarily African-American men of ages 17-26 years in Chicago's South Side neighborhoods. The year-long program will assist participants in strengthening social-cognitive skills to prevent violent altercations, and will provide rigorous League basketball, leadership and life skills, case management, counseling, and a new social network to assist participants on their pathway to wellness.</p>

<p>Thrive Bozeman, MT <a href="http://www.allthrive.org">http://www.allthrive.org</a></p>	<p>Partnership Project to Strengthen Young Families</p>	<p>This grant will support Thrive's Partnership Project in providing wrap-around parent education and support to high-risk teen/young parents with children age 0-5. Through a unique collaboration between Thrive, Gallatin City-County Health, and network of high quality mental health and childcare provider, the Partnership Project produces proven results for both children and parents in a wide array of health and wellness areas.</p>
<p>Tulsa Community Foundation Tulsa, OK <a href="http://www.tulsacf.org">http://www.tulsacf.org</a></p>	<p>Tulsa's Gathering Place, LLC</p>	<p>This grant will help support the construction, maintenance and operations of A Gathering Place for Tulsa, LLC, a one hundred acre park along the Arkansas River in the center of Tulsa, OK.</p>
<p>University Of Oklahoma Foundation, Inc. Norman, OK <a href="http://www.oufoundation.org">http://www.oufoundation.org</a></p>	<p>Wavelengths: Transition Program for Young Adults with Diabetes</p>	<p>This grant will help support Wavelengths, a transition program for young adults with diabetes. These education and support services will lead to improved diabetes health outcomes for an estimated 350 young adults and their families, building upon existing medical visit infrastructure.</p>
<p>Upbring Austin, TX <a href="http://www.upbring.org">http://www.upbring.org</a></p>	<p>Soccer and Outdoor Recreation Field at Bokenkamp Children's Shelter</p>	<p>Upbring seeks to provide children living at Bokenkamp Children's Shelter the opportunity to engage in outdoor recreational activity through the construction of an artificial turf soccer and recreation field. This field will be used by over 1,000 children ages 12-17 annually, ensuring physical and mental well-being for children who have experienced some form of traumatic separation from their families.</p>
<p>West Texas Food Bank Odessa, TX <a href="http://www.wtxfoodbank.org">http://www.wtxfoodbank.org</a></p>	<p>Operational Support</p>	<p>West Texas Food Bank (WTFB), partnering with 75 nonprofit organizations, works to alleviate hunger in 19 counties of West Texas. WTFB procures, processes, sorts, repackages, and then distributes food to these partners to give to those in need. They distribute over 5 million pounds of food annually to approximately 44,000 economically disadvantaged individuals. This grant will help support the organization's general operations to help feed hungry families in West Texas.</p>
<p>Western Montana Mental Health Center Missoula, MT <a href="http://www.wmmhc.org">http://www.wmmhc.org</a></p>	<p>Child and Family Service Network Outreach Initiative</p>	<p>Western Montana's Mental Health Center seeks to increase community outreach and training for staff in order to better serve financially needy children and families suffering from serious emotional disturbances. The program will effectively support safe environments and suicide prevention for youth in Missoula and Mineral Counties.</p>
<p>Wichita Falls Area Food Bank Wichita Falls, TX <a href="http://wfabf.org">http://wfabf.org</a> or <a href="http://www.emptybowlsf.org">www.emptybowlsf.org</a></p>	<p>Nutrition Education Services</p>	<p>The Wichita Falls Area Food Bank operates its Nutrition Education Services for food-insecure families in the food bank's 12-county service area. This funding will help maintain and expand current nutrition education activities that work toward creating healthier kids and families and reducing food insecurity.</p>
<p>YMCA of Springfield Springfield, IL <a href="http://www.springfieldymca.org">http://www.springfieldymca.org</a></p>	<p>Youth Fitness Center</p>	<p>This grant will help The Springfield YMCA retrofit existing space in its Downtown branch to create a Youth Fitness Center complete with cardio and weight equipment designed for youth ages 8-12. The Center will be staffed with certified Y health and wellness coaches and will provide space for youth exercise, classes, seminars and personal training.</p>
